

ERIC GARCETTI
MAYOR

Public Order Under City of Los Angeles Emergency Authority

Issue Date: April 22, 2021

Subject: SAFER L.A. (Orange Tier)

Los Angeles County has entered the “Orange Tier” of the State of California’s Blueprint for a Safer Economy framework, and the County amended and lifted some additional local activity-specific and sector-specific restrictions. The City of Los Angeles aligns with the CDC, State and County guidance, which remains straightforward: Angelenos must continue to minimize contact with others as much as possible and must proceed with caution as certain activities are allowed to resume.

Even if you believe that the virus does not present a particular threat to you, consider the impact that your choices have on others. Because COVID-19 can be transmitted by someone who is unaware that she is carrying it, one person could be unknowingly infecting many people if she is not careful. Now is the time to think of our loved ones, friends, colleagues, fellow residents, and favorite businesses. The better we are now at staying apart, the sooner we will be able to come back together.

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare that the Targeted Safer at Home Order, dated December 2, 2020 and subsequently revised on December 31, 2020, is withdrawn and superseded by this Order, which is necessary for the protection of life and property in the City of Los Angeles and is effective immediately:

1. Subject only to the exceptions outlined in this Order, all persons living within the City of Los Angeles should continue to practice Social (Physical) Distancing and COVID-19 infection control measures at all times and when among other persons when in community, work, social or school settings. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual

from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.

2. As detailed in Paragraph 5 below, all businesses within the City of Los Angeles must continue to practice Social (Physical) Distancing and COVID-19 infection control measures at all times and follow the applicable Los Angeles County Department of Public Health protocols. Business operations may be maintained by telecommuting or other remote means.

Businesses, recreation sites, commercial properties, and activities that should remain closed include:

- i. Lounges, smokers' lounges (including 'hookah' lounges), and nightclubs;
- ii. Indoor playgrounds;
- iii. Indoor hot tubs, steam rooms, and saunas not located on a residential property;

3. Nothing in this Order prohibits persons living together as a single household in a household or living unit ("household") from engaging in permitted activities together. For purposes of this Order, and in relationship to private gatherings, a "household" shall not include institutional group living situations such as dormitories, fraternities, sororities, monasteries, convents, or residential care facilities, nor does it include such commercial group living arrangements as boarding houses, hotels, or motels.¹ Private gatherings are defined as informal social situations that bring together people from different "households" at the same time in a single space or place. When people from different "households" mix, the risk of COVID-19 transmission increases. Visits or small private gatherings of people who are *not* part of a single household or living unit must comply with the Los Angeles County Public Health Guidance for Informal Social Gatherings, including, but not limited to, the following requirements:

Outdoor informal social gatherings are limited to a maximum of 50 people. Indoor informal gatherings are strongly discouraged, and are limited to a maximum 25% of occupancy where capacity limits exist, or 25 people, whichever is fewer.

For informal social gatherings that bring persons together solely for religious worship, counseling, or study, all infection control protocols still apply, except for the capacity limits mentioned in the Los Angeles County Protocol for Informal Social Gatherings are strong recommendations. All attendees of gatherings for religious worship or study must wear face coverings, remain socially (physically) distanced from others, and practice hand hygiene.

a) [Intentionally omitted]

b) People leaving their residences must continue to strictly comply with the Social (Physical) Distancing requirements stated in this Order and as specified in guidance, protocols, or orders established by the County Department of Public Health. This Order,

¹ Los Angeles County Code, Title 22. §22.14.060 -F. Family definition. (Ord. 2019-0004 § 1, 2019.)
https://library.municode.com/ca/los_angeles_county/codes/code_of_ordinances?nodeId=TIT22PLZO_DIV2DE_CH22.14DE_22.14.060F

beginning June 19, 2020, requires all persons [wear a mask](#) over both the nose and mouth whenever they leave their place of residence and are or can be in contact with or walking near or past others who are non-household members in both public and private places, whether indoors or outdoors. This includes wearing a mask when patronizing a business, except where explicitly permitted differently. Persons engaging in social activities in public settings must also continue to follow these requirements, including avoiding crowds, avoiding poorly ventilated spaces, covering coughs and sneezes, and washing their hands or using hand sanitizer frequently. Wearing a mask reduces the risk of transmission to others from people who do not have symptoms and do not know they are infected. Wearing a mask protects others as well as you. Masks work best when everyone wears one.

c) Fully vaccinated people² engaging in social activities in public settings must also continue to follow the above requirements, including avoiding crowds, avoiding poorly ventilated spaces, covering coughs and sneezes, and washing their hands or using hand sanitizer frequently.

d) Persons and businesses within the County of Los Angeles Public Health Jurisdiction are required to follow the COVID-19 infection control protocols and guidance provided by the Los Angeles County Department of Public Health. In instances where the County has not provided a specific guidance or protocol, specific guidance or protocols established by the State Public Health Officer shall control.

i. In the event that an owner, manager, or operator of any business knows of three (3) or more cases of COVID-19 among their employees within a span of 14 days, the employer must report this outbreak to the Los Angeles County Department of Public Health at (888) 397-3993 or (213) 240-7821, or online at www.redcap.link/covidreport.

ii. In the event that an owner, manager, or operator of any business is informed that one or more employees, assigned or contracted workers, or volunteers of the business has tested positive for, or has symptoms consistent with COVID-19 (case), the employer must have a protocol to require the case(s) to isolate themselves at home and require the immediate self-quarantine of all employees that had a workplace exposure to the case(s).

e) Pursuant to the State of California's action³ and the United States District Court Central District of California's order,⁴ jurisdictions within the County of Los Angeles Public Health Jurisdiction are expected to comply with the provision of hotel and motel rooms for vulnerable people experiencing homelessness through Project

² People are considered "fully vaccinated" for COVID-19 2 weeks or more after they have received the second dose in a 2-dose series (e.g., Pfizer-BioNTech or Moderna) or 2 weeks or more after they have received a single-dose vaccine (e.g., Johnson and Johnson [J&J]/Janssen).

³ Office of Governor Gavin Newsom, Action re: Project Roomkey, 4/3/2020, <https://www.gov.ca.gov/2020/04/03/at-newly-converted-motel-governor-newsom-launches-project-roomkey-a-first-in-the-nation-initiative-to-secure-hotel-motel-rooms-to-protect-homeless-individuals-from-covid-19/>; 2020-21 May Revision to the Governor's Budget, Project Roomkey, pg. 78-79

⁴ Order re: Preliminary Injunction (Case No. LA CV 20-02291-DOC-KES), LA Alliance for Human Rights et al v. City of Los Angeles et al, States District Court Central District of California, 5/15/2020.

Roomkey, which slows the spread of COVID-19 and retains capacity of the healthcare system.

f) People at risk for severe illness with COVID-19 - such as unvaccinated older adults and unvaccinated individuals with health risks - and members of their household should defer participating at this time in activities with other people outside their household where taking protective measures of wearing face masks and social distancing may be difficult, especially indoors or in crowded spaces.

4. If traveling, social distancing and mask wearing must be practiced and all Los Angeles County Department of Public Health travel advisories must be followed: <http://publichealth.lacounty.gov/media/Coronavirus/traveladvisory.htm>.

5. Activities. People must abide by the Los Angeles County Department of Public Health's Social Distancing Protocol while engaging in all activities outside of the home.

(i) Intentionally left blank.

(ii) Essential Activities. People may engage in certain essential activities, including, without limitation, visiting a health or veterinary care professional, obtaining medical supplies or medication, including vaccinations, obtaining grocery items (including, without limitation, canned food, dry goods, fresh fruits and vegetables, pet supplies, fresh or frozen meats, fish, and poultry, any other household consumer products and products necessary to maintain the safety and sanitation of residences and other buildings) for their household or to deliver to others, or for legally mandated government purposes; or

Travel: in addition, any travel related to

(a) providing care for minors, the elderly, dependents, persons with disabilities, or other vulnerable persons;

(b) returning to one's place of residence from outside the City;

(c) travelling to one's place of residence located outside the City;

(d) compliance with an order of law enforcement or court shall be exempt from this Order; or

(e) legally mandated government purposes; or

(f) attend an outdoor funeral which follows the Los Angeles County Department of Public Health Conducting Funerals Protocol; or

(g) to participate in a vehicle-based parade, drive-thru events or drive-in movie theaters (hosts and participants of such activities must observe and comply with the Vehicle-Based Parade or Drive Thru Events Protocol and Drive-In Movie Theaters Protocol published by the Los Angeles County Department of Public Health and Section 6(r) of this Order.);

(h) to participate in an outdoor in-person protest as long as persons participating in a protest observe the Los Angeles County Department of Public Health Protocol for Public Demonstrations.

Persons engaging in any of these essential activities must continue to strictly comply with the required social distancing practices and wear facial coverings. This includes maintaining a distance of at least six-feet away from others, frequently washing hands with soap and water for at least twenty seconds or using hand sanitizer, covering coughs or sneezes (into the sleeve or elbow, not hands), regularly cleaning high-touch surfaces, not shaking hands and wearing a cloth face covering whenever there is or can be contact with others who are non-household members in both public and private places. A person over two years of age shall wear a face covering whenever leaving their place of residence and are in a public or private place indoors where other non-household members might be present. A person over two years of age shall wear a face covering whenever leaving their place of residence and entering, traveling through, remaining in or exiting a public or private place outdoors where they may come in contact with or walk near or past others who are non-household members, except during the time when a person is eating or drinking while seated at a dining table. Any person who has been instructed by a medical provider that they should not wear a face covering must wear a face shield with a drape on the bottom edge. "Face Covering" means a face covering that covers the nose and mouth and is secured to the head with ties or straps or simply wrapped around the lower face. It can be made of a variety of materials such as cotton, silk, or linen. A face covering may be factory-made or sewn by hand or can be improvised from household items such as scarfs, T-shirts, sweatshirts, or towels. A compliant Face Covering does not include any face covering that incorporates a device, such as a valve, that facilitates air to exit from the face covering. Wearing a mask protects others as well as you. Masks work best when everyone wears one. Fully vaccinated people engaging in social activities must follow the Los Angeles County Department of Public Health's Protocol for Informal Social Gatherings, located here:

<http://publichealth.lacounty.gov/media/Coronavirus/docs/people/InformalSocialGatherings.pdf>. People are considered "fully vaccinated" for COVID-19 2 weeks or more after they have received the second dose in a 2-dose series (e.g., Pfizer-BioNTech or Moderna) or 2 weeks or more after they have received a single-dose vaccine (e.g., Johnson and Johnson [J&J]/Janssen). Notwithstanding the above exceptions, all individuals over the age of 16 traveling into the City of Los Angeles from another state or country must complete and submit online a traveler form upon arrival, acknowledging that they have read and understood the State of California and Los Angeles County travel advisory. Failure to submit the form is punishable by a fine of up to \$500. The travel form and travel advisories are available at <https://travel.lacity.org/>. All persons arriving in or returning to the County of Los Angeles from other states or countries must abide by the County of Los Angeles Travel Advisory and Guidance at <http://publichealth.lacounty.gov/media/Coronavirus/traveladvisory.htm>.

(iii) Outdoor Activities. To engage in passive outdoor activity and recreation, provided that individuals comply with social distancing mandates, including, without limitation, walking, running, cycling; use of scooters, roller skates, skateboards, or other personal mobility devices.

Use of Facial Coverings: All individuals engaging in outdoor activities must wear a cloth face covering, as described in Paragraph 5(ii), whenever contact with others, who are non-household members, occurs or is likely to occur , except children under the age of

2 and those individuals engaging in water activities and certain sports specified in Los Angeles County Department of Public Health Protocols (such as tennis, pickleball and solo horseback riding) are not required to wear a face covering.

City Parks & Trails: Parks shall remain open under normal operating hours, unless otherwise restricted, for passive recreational activities and for permissible active recreational activities defined herein while adhering to social distancing and shall follow the Los Angeles County Department of Public Health Reopening Protocol for Use of Public Trails.

Playgrounds: Outdoor playgrounds for children may open upon implementing the County of Los Angeles Department of Public Health Reopening Protocol for Outdoor Playgrounds. Indoor playgrounds for children, except those located within childcare centers, shall be closed for all purposes.

Recreational and Cultural Programming: The Department of Recreation & Parks, following the directives of the County Department of Public Health, shall modify its recreational and cultural programming to conform to the appropriate list of activities permitted by the various county-designated tier designations (currently in the “red tier”) to keep all park facilities (buildings, sites and centers) closed, except to support alternative learning sites, vaccination centers or COVID-19 testing or to permit outdoor youth and adult sports leagues, including K-12 School programs, community sponsored recreational programs, and private clubs and leagues for all organized youth sports, and adults playing recreational sports in conformance with the Los Angeles Department of County Health’s Reopening Guidelines for Youth & Adult Sports Leagues or other authorized and designated uses. “Recreation and cultural programming” refers to non-permitted recreational and cultural activities, indoor sports leagues, and aquatics classes/pool use, on City-owned and operated park land. “Park facilities,” which shall be closed or opened in a limited capacity to the public, except those permitted for the above health needs or for youth and adult sports leagues, refers to the City’s Department of Recreation and Parks facilities, including, but not limited to: basketball courts, volleyball courts, Griffith Observatory, Greek Theatre, Travel Town, Griffith Park train rides, the Cabrillo Marine Museum, Sherman Oaks Castle (indoor activities), EXPO Center, and aquatics facilities.

Golf & Tennis (Pickleball): Golf, Tennis and Pickleball are permitted at public and private courses operating under the Los Angeles County Department of Public Health’s Reopening Protocol for Golf Courses.

Beaches: Beaches are open for active recreation, including swimming, surfing, running and walking; however, gatherings in violation of Paragraph 3 of this Order, youth camps, group sports, large gatherings and athletic competitions are not allowed. Visitors to beaches shall follow the Los Angeles County Department of Public Health Reopening Protocol for use of Public Beaches.

Pools: Public pools may open upon implementing the Los Angeles County Department of Public Health Protocols for Public Swimming Pools. Pools, hot tubs, and saunas that are in a multi-unit residence or part of a Homeowners’ Association may open upon implementing the Los Angeles County Department of Public Health Protocols for

Reopening of Swimming Pools in Shared Residential Facilities. All indoor hot tubs, saunas, and steam rooms located on non-residential property remain closed.

Other Recreational Uses: Courts, shooting and archery ranges, equestrian centers, model airplane areas, community gardens, and bike parks may operate upon implementing the required Los Angeles County Department of Public Health protocols found in paragraph 6. Census Centers located at Recreation and Parks facilities may remain open, provided strict adherence to social distancing practices. Outdoor Museums, Open Air Galleries, Botanical Gardens and other Outdoor Exhibition Spaces may open upon implementing the Los Angeles County Department of Public Health Protocols for Opening for Museums, Galleries, Zoos, and Aquariums. For hire fishing, guided fishing or small-group chartered boat trips may operate upon implementing the Los Angeles County Department of Public Health Protocol for Small Water Vessel Charters. Businesses may offer outdoor equipment rentals for transportation and/or physical activities only, such as kayaks, stand up paddle boats, kitesurfing, electric boat rentals, and bikes, after implementing the Los Angeles County Department of Public Health Protocols for Outdoor Equipment Rental Services. Participants in outdoor professional sports must adhere to the requirements of the Los Angeles County Department of Public Health Protocol for Professional Sports Leagues and Facilities Opening for Training Sessions, Spectator-Free Events, and Events with Spectators.

(iv) Work in Support of Essential Activities. To perform work providing essential products and services or to otherwise carry out activities specifically permitted in this Order.

(v) Care for Others. To care for or support a friend, family member, or pet in another household.

(vi) Emergency Personnel. All first responders, gang and crisis intervention workers, public health workers, emergency management personnel, emergency dispatchers, law enforcement personnel, and related contractors and others working for emergency services providers are categorically exempt from this Order.

All individuals leaving their homes must wear a cloth face covering in compliance with this Order and the Los Angeles County Department of Public Health Protocols, including whenever contact with others, who are non-household members, occurs or is likely to occur.

(vii) Essential and Business Activities. Pursuant to the requirements below and the Los Angeles County Department of Public Health, businesses and activities may operate with certain capacity limitations and other public health-related modifications. These include:

(a) All healthcare operations, including hospitals, clinics, dentists, pharmacies, pharmaceutical and biotechnology companies, medical and scientific research, laboratories, healthcare suppliers, home healthcare services providers, veterinary care and pet day care providers, mental and behavioral health providers and support groups, substance use providers and support groups, physical therapists and chiropractors, cannabis dispensaries, blood and blood product donation organizations, or any related

and/or ancillary healthcare services, manufacturers and suppliers. Behavioral health or substance use disorder support group meetings must implement the Los Angeles County Department of Public Health's Reopening Protocol for Substance Use Disorder and Mental Health Support Groups and must be limited to 12 people or fewer and social distancing must be practiced. Healthcare operations does not include fitness and exercise gyms and similar facilities.

(b) Grocery stores, certified farmer' markets, water retailers, farm and produce stands, supermarkets, convenience stores, warehouse stores, food banks, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, pet food and medication supply, fresh or frozen meats, fish, and poultry, and other household consumer products necessary to maintain the safety, sanitation and essential operation of residences. Occupancy at stand-alone grocery stores remains limited to comply with Los Angeles County Public Health Department Protocol and the continuing requirement that customers must have sufficient space to remain physically distanced by at least 6 feet at all times. All grocery stores and retail food markets should strictly meter entry and exits to ensure compliance with customer distancing requirements. The sale of food, beverages, and alcohol for in-store consumption is prohibited. Retail food markets, including but not limited to grocery stores, convenience stores, liquor stores and other retail locations that sell food or beverage products and that are required to have a health permit issued by the Los Angeles County of Public Health as a Food Market Retail, must review and comply with the Los Angeles County Department of Public Health Protocols for Grocery Stores and Retail Food Markets.

(c) Agricultural and horticultural cultivation, including farming, livestock, and fishing.

(d) Organizations and businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals (including gang prevention and intervention, domestic violence, and homeless services agencies).

(e) Newspapers, television news, radio, magazine, podcast and journalism; and music, film and television production, after the owner, manager, or operator of music, film and television production reviews and adopts the Los Angeles County Department of Public Health's Reopening Protocol for Music, Film and Television Production.

(f) Gas service stations, auto/motorcycle part supply, mobile auto/motorcycle repair operations, auto/motorcycle repair shops (including, without limitation, auto repair shops that operate adjacent to or otherwise in connection with an used or retail auto dealership), bicycle repair shops and related facilities. Auto dealerships and motorcycle dealerships may open to the public, under the conditions required by and upon implementation of the Los Angeles County Department of Public Health Reopening Protocol for Car Dealerships. Car washes are permitted to operate upon implementing the Los Angeles County Department of Public Health Reopening Protocol for Car Washes.

(g) Banks, credit unions, financial institutions and insurance companies, and pawn shops.

(h) Hardware and building supply stores, day labor centers, nurseries and horticulture wholesale distributors.

(i) Plumbers, electricians, custodial/janitorial workers, handyman services, funeral home workers and morticians, moving services, HVAC installers, carpenters, day laborers, landscapers, gardeners, exterminators, property managers and leasing agents, private security personnel and other service providers who provide services to maintain the safety, sanitation, and essential operation to properties and other essential activities discussed in this subsection.

(j) Businesses providing mailing and shipping services, boxes and packaging, and post office boxes.

(k) Educational institutions -- including public and private K-12 schools, colleges, and universities -- for purposes of facilitating distance learning, planning for the upcoming school year or performing essential functions provided that social distancing of six-feet per person is maintained.

All public and private schools (K-12) and school districts within the County of Los Angeles may open for in-person classes. Reopening of in-person classes in elementary schools requires that students be assigned to a stable group. Middle and high schools should consider creating stable groups of students as a best practice. Educational facilities serving students at any grade level must review and adhere to all provisions for safe opening of schools, as outlined by the Los Angeles County Reopening Protocols for K-12 Schools. Schools and School Districts that are permitted to reopen must follow the Los Angeles County Reopening Protocols for K-12 Schools and the Los Angeles County Protocol for COVID-19 Exposure Management Plan in K-12 Schools. Schools may continue to offer daycare for school-aged children so that essential members of the workforce continue to have available childcare. Schools offering day care for school-aged children must adhere to all provisions in the Los Angeles County protocol for Programs Providing Day Care for School-Aged Children. Schools that have not yet fully reopened all grades for in-person instruction may continue to offer specialized school services in those grades not yet reopened for small, stable, cohorts of students with Individualized Education Programs (IEPs) or English Learners (ELs) needing assessments and/or specialized in school services, with priority given to students with disabilities. Other prioritized groups for in-person support and services include students not participating in distance learning, students at risk of abuse or neglect, foster youth, and students experiencing homelessness. Specialized services that require cohorting of students must limit the stable cohort size to the number that allows minimum physical distancing requirements to be maintained in the available classroom space, but may not exceed thirty (30) students and two (2) supervising adults regardless of the space available and must adhere to all provisions for safer operation of schools as outlined in the Los Angeles County Reopening Protocols for K-12 Schools.

Colleges and universities in Los Angeles County may offer in-person academic instruction with limitations and modifications. Capacity for indoor lectures must be limited to 50% occupancy or 200 people, whichever is less. Courses conducted in certain indoor settings, like labs or studio arts, are exempt from the occupancy

limitations that apply to indoor lectures. Maximum capacity for those settings is dependent on the size of the instructional space and the ability to maintain appropriate physical distancing at all times between students and staff. Academic instruction should continue to be offered synchronously via distance-learning to the extent practicable as specified in the Los Angeles County Protocols for Institutes of Higher Education. Student activities should be conducted virtually when possible. Student activities held in person must be limited to gatherings of 25% capacity or 100 students, whichever is smaller, for an outdoor space; or 25% capacity or 50 students, whichever is smaller, for an indoor space. Faculty and other staff may come to campus for the purpose of providing distance learning, and other activities related to the purposes described above, as well as maintaining minimum basic operations. The institution must review and comply with all relevant portions of the County's Protocols for Institutes of Higher Education to maximize safety for all employees.

i) Institutes of Higher Education that have intercollegiate athletic teams that admit the public as a live audience for any outdoor game, event or competition must review and implement the Los Angeles County Department of Public Health Protocol for Live Events and Performances (Outdoor Seated).

ii) Institutes of Higher Education that have intercollegiate athletic teams that admit the public as a live audience for any indoor game, event or competition, must review and implement the Los Angeles County Department of Public Health Protocol for Indoor Seated Live Events and Performances.

(l) Laundromats, dry cleaners, and laundry service providers.

(m) Restaurants and retail food facilities that prepare and serve food. Restaurants may open for delivery, drive thru, carry out, outdoor dining, and indoor dining at 50% of maximum indoor capacity or 200 persons, whichever is fewer, with specific modifications for both outdoor and indoor dining listed in the Los Angeles County Protocol for Restaurants. Restaurants with a moderate risk or high risk restaurant permit issued by the Los Angeles County Department of Public Health and other food facilities must review and follow the most current Los Angeles County Protocols for Restaurants. Cafeterias, commissaries, and restaurants located within hospitals, nursing homes, or other licensed health care facilities may provide dine-in service, as long as Social (Physical) Distancing is practiced.

(n) Businesses that supply or provide storage for retail goods and products needed for people to work from home.

(o) Businesses that supply other essential businesses with the support, services, or supplies necessary to operate, provided that strict social distancing is maintained. This section includes, without limitation, utility companies.

(p) Individuals and businesses that ship, truck, transport, or provide logistical support to deliver groceries, food, goods, or services directly to residences, or businesses engaged in essential activities or essential infrastructure.

(q) Airlines, taxis, ride sharing services, car rental companies, and other private transportation services providing transportation services necessary for essential activities and other purposes expressly authorized in this Order. Small water vessel charters may operate after implementing the Los Angeles County Department of Public Health Protocols for Small Water Vessel Charters.

(r) Home-based care for disabled persons, seniors, adults, or children.

(s) Residential facilities and shelters for homeless residents, disabled persons, seniors, adults, children and animals.

(t) Office-based businesses and workspaces may reopen for indoor operations with modifications. Telework is strongly encouraged for persons who are not yet fully vaccinated. Unless staff at office-based business are all fully vaccinated (see Footnote 2), office-based businesses should limit indoor occupancy to 50% of capacity. Any in-person operations must be in accordance with the required Los Angeles County Department of Public Health Reopening Protocol Office-Based Worksites. Essential office-based businesses as defined by the Los Angeles County Department of Public Health that must open indoors for essential operations that cannot be done remotely must limit indoor capacity to 75% of maximum occupancy. This restriction does not apply to healthcare operations, essential infrastructure, and essential government functions. Professional services, such as legal, leasing and real estate transactions, payroll or accounting services, when necessary to assist in the permitting, inspection, construction, transfer and recording of ownership of housing, and when necessary to achieve compliance with legally mandated activities are permitted. Housing units and real property may be shown, provided that appointments and other residential viewings occur virtually or, if a virtual viewing is not feasible, by appointment with no more than two visitors at a time residing within the same household or living unit and one individual showing the unit. However, such in-person visits are not permitted when a tenant occupant is still residing in the residence, unless the owner first obtains the tenant's written consent.

(u) Day Camps and Alternative School Sites, after implementing the Los Angeles County Department of Public Health's Reopening Protocol for Day Camps, along with childcare facilities providing services that enable employees exempted in this Order to work as permitted after implementing the Los Angeles County Department of Public Health Childcare Guidance.

(v) Hotels, motels, shared rental units and similar facilities may reopen for tourism and individual travel, and must implement the Los Angeles County Department of Public Health Reopening Protocol for Hotels, Lodging and Short-Term Rentals. Hotels and similar facilities may hold or host Private Events in compliance with the Los Angeles County Protocol for Private Events (Meetings, Receptions, and Conferences). Campgrounds, RV parks and cabin rental units may remain open. The owner, manager, or operator of campgrounds and RV parks must review, prepare, implement and post the required Los Angeles County Department of Public Health Reopening Protocol for Campgrounds, RV parks and Cabin Rental Units.

(w) Military/Defense Contractors/FFRDC (Federally Funded Research and Development Centers). For purposes of this Order, essential personnel may leave their residence to provide any service or perform any work deemed essential for national security including, without limitation, defense, intelligence, and aerospace development and manufacturing for the Department of Defense, the Intelligence Community, and NASA and other federal government, and or United States Government departments and agencies. Essential personnel include prime, sub-prime, and supplier contractor employees, at both the prime contract level and any supplier level at any tier, working on federal United States Government contracts, such as contracts for national intelligence and national security requirements.

(x) Businesses that manufacture retail goods. These businesses must also review and implement the County of Los Angeles Reopening Protocol for Warehousing, Manufacturing and Logistic Establishments.

(y) Retail stores may operate, after implementing the County of Los Angeles Department of Public Health Protocols for Retail Establishments Opening for In Person Shopping. Retail stores that are open for indoor operations must limit indoor capacity to 75% of maximum occupancy. Indoor Malls or Shopping Centers, defined as a building with seven or more sales or retail establishments with adjoining indoor space, the owner or operator of the Indoor Mall or Shopping Center, including indoor swap meets, may remain open at up to 75% of overall mall or shopping center capacity. Food court occupancy is limited to 50% capacity, or 200 people whichever is fewer. All Mall and Shopping Center restaurants must review and adhere to the requirements of the Los Angeles County Protocol for Restaurants, Breweries and Wineries. Members of the public may only consume food or beverages in designated indoor or outdoor dining areas. Other common areas located within an Indoor Mall or Shopping Center must remain closed to the public until further notice. Businesses listed in Paragraph 2 that are located within an Indoor Mall or Shopping Center must continue to remain closed until each of those types of establishments is allowed to resume modified or full operations. All businesses located within an Indoor Mall or Shopping Center, and not subject to Paragraph 2 of this Order, must adhere to the applicable requirements of this Order. The owner or operator of the Indoor Mall or Shopping Center must review, prepare, implement and post the required Los Angeles County Department of Public Health Protocols for Shopping Center Operators.

(z) Places of worship should engage in outdoor or remote faith-based services and other related activities for all attendees, especially for those who are vulnerable to COVID-19 including older adults and those with co-morbidities given the currently substantial rate of community transmission and high number of hospitalizations and premature deaths associated with COVID-19. If drive-in outdoor services are offered, cars are directed to park at least 6 feet apart. When carrying out virtual activities indoors, it is recommended that no more than 10 individuals participate in production and broadcast process; anyone participating in production and broadcast must follow infection control and physical distancing requirements. If in-person outdoor services are held, the number of persons on-site outdoors at any time shall be reduced as needed to permit compliance with the Los Angeles County physical distancing requirements. If in-person indoor services are held, the number of persons in attendance indoors should be limited to 50% of the maximum occupancy, based on the applicable Building Code or

Fire Code. All persons attending either indoor or outdoor services must comply with the infection control and physical distancing requirements, as specified in the Los Angeles County Social (Physical) Distancing Protocol, including but not limited to, clergy, staff, choir, volunteers, attendees, and any visitors at the facility maintaining a minimum of six feet between others from different households and all must wear a face covering or mask over both the nose and mouth at all times while in or on the grounds of the facility and when walking nor or past non-household members, among others. The California Department of Public Health advises that “activities such as singing, and chanting negate the risk-reduction achieved through six feet of physical distancing” due to an increased likelihood for transmission from contaminated exhaled droplets. Consider practicing these activities through alternative methods (such as internet streaming) that ensure individual congregation members perform these activities separately in their own homes or alone in a separate room at the place of worship. Please review the State Industry Guidance for Places of Worship and Providers of Religious Services and Cultural Ceremonies [here](#). The Centers for Disease Control and Prevention recommends organizations encourage guests to avoid singing, chanting, or shouting, especially when indoors. If attendees choose to sing, chant, or shout, encourage them to continue wearing their masks while doing so and increase the distance between people to greater than 6 feet. Faith-based organizations holding in-person services, must review and follow the Los Angeles County Social (Physical) Distancing Protocols. It is permitted to obtain in-person faith-based counselling services where the service cannot reasonably be practiced remotely, provided that Social (Physical) Distancing is practiced.

(aa) Personal care establishments may remain open for indoor operations with required modifications. These establishments provide personal care that requires touching of a client’s face, for example, facials, electrolysis and waxing. Personal Care Establishments also include hair salons, nail salons, barbershops, esthetic, skin care, electrology, body art professional, tattoo parlors, and piercing shops, tanning salons and massage therapy (in non-healthcare settings). Indoor occupancy at personal care establishments is limited to 75% of maximum capacity at all times. Services at personal care establishments may only be provided by appointment. Customers and staff must keep face coverings on, over both their nose and mouth, at all times. Services that required a customer/client or a personal care attendant to remove their face covering, e.g., facials and shaves, electrolysis are permitted when staff uses either a fitted N95 mask or a face covering and a face shield when providing the service. The owner, manager or operator of a personal care establishment must, prior to reopening, review, prepare, implement and post the required Los Angeles County Department of Public Health Reopening Protocol for Personal Care Establishments.

(bb) Fitness facilities, including private gymnasiums, may open for outdoor and limited capacity indoor operations only. The indoor occupancy at gyms and fitness facilities is limited to 25% of indoor occupancy. The owner, manager, or operator of fitness facilities must, prior to reopening for indoor operations, review, prepare, implement and post the required Los Angeles County Department of Public Health Reopening Protocols for Gyms and Fitness Establishments

(cc) Libraries, after implementing the Los Angeles County Department of Public Health Protocols for In-Person Services in Libraries.

(dd) Outdoor portions of museums, galleries, botanical gardens, and outdoor facilities at zoos, aquariums, and other similar exhibition spaces (collectively, "Museums") may remain open to the public. The indoor portions of Museums may open to the public and are limited to 50% of indoor occupancy. The owner, manager, or operator of Museums and exhibition spaces must, prior to reopening for indoor operations, review, prepare, implement and post the required Los Angeles County Department of Public Health Reopening Protocol for Museums, Galleries, Zoos, and Aquariums.

(ee) Businesses renting outdoor equipment for transportation and/or physical activities after implementing the Los Angeles County Department of Public Health Protocols for Outdoor Equipment Rental Services.

(ff) Professional sports with live audiences. Professional sports teams and franchises may conduct operations and competitions with live audiences. Professional sports teams that admit the public as a live audience for any outdoor game, event or competition, must review and implement the Los Angeles County Department of Public Health Protocol for Live Events and Performances (Outdoor Seated). Professional sports teams that admit the public as a live audience for any indoor game, event or competition, must review and implement the Los Angeles County Department of Public Health Protocol for Live Events and Performances (Indoor Seated). The owner, manager, or operator of professional sports teams and franchises must also implement and post the required Los Angeles Department of Public Health Protocol for Professional Sports Leagues and Facilities Opening for Training Sessions, Spectator-Free Events, and Events with Spectators, as well as abide by applicable industry-generated protocols.

(gg) Movie theaters may be open to the public at 50% of maximum indoor occupancy or 200 people, whichever is fewer. Customers may only purchase tickets for reserved seating only. Groups of customers must be seated in the theater at least 6 feet away from other customers. The owner or operator of a movie theater must prepare, implement, and post the required Los Angeles County Public Health Protocols for Movie Theaters.

(hh) Wineries, breweries and craft distilleries that do not possess a public health permit from the County of Los Angeles may operate both outdoors and indoors in compliance with the Los Angeles County Protocol for Breweries, Wineries, and Craft Distilleries. Wineries, breweries, and craft distilleries may operate indoors at 25% of maximum indoor capacity, or 100 people whichever is fewer. If the establishment sells alcohol in the same transaction as a bona fide meal, it must comply with all requirements of the Los Angeles County Restaurant Protocol.

(ii) Family Entertainment Centers: Miniature golf, batting cages, and go cart racing. Miniature golf, batting cages, and go cart racing may open for indoor operations. Indoor occupancy is limited to 25% maximum indoor occupancy. The indoor portions of these businesses may be open with modifications for naturally distanced activities, such as bowling alleys and escape rooms. Arcade and other amusement games may not be operated. Food and beverages may not be consumed while participating in any family entertainment center activity. All family entertainment center restaurants are limited to

25% indoor capacity and must review and adhere to the requirements of the Los Angeles County Protocols for Restaurants. Members of the public may only consume food or beverages in designated indoor or outdoor dining areas. The owner or operator of a family entertainment establishment must review, prepare, implement and post the required Los Angeles County Public Health Protocols for Family Entertainment Centers.

(jj) Amusement Parks, Theme Parks and Fairs: Amusement Parks, Theme Parks and Fairs can reopen to the public at a maximum occupancy of 25% of maximum park capacity. For indoor attractions or rides, the indoor occupancy is limited to 25% of the indoor space capacity with a 15-minute occupancy time limit. Indoor dining at Amusement Park, Theme Park and Fair restaurants is limited to 25% of maximum occupancy. Amusement Parks, Theme Parks and Fairs must, prior to reopening, have their reopening plans approved by the Los Angeles County Department of Public Health. The reopening plans must be submitted to Los Angeles County Public Health using this email address: EHmail@ph.lacounty.gov. The owner or operator of an Amusement, Theme Park or Fair must prepare, implement, and post the required Los Angeles County Public Health Protocols for Amusement Parks, Theme Parks and Fairs Reopening for Outdoor Public Access.

(kk) Bars that possess a low risk public health permit issued by the County of Los Angeles may reopen for outdoor operations only with modifications in compliance with the Los Angeles County Public Health Protocols for Bars. If the bar sells alcohol in the same transaction as a bona fide meal, it must comply with all requirements for outdoor dining in the Los Angeles County Restaurant Protocol. Indoor operations are not permitted at this time. The owner or operator of a bar must prepare, implement, and post the required Los Angeles County Public Health Protocols for Bars.

(ll) Outdoor Seated Live Events and Performances. Outdoor seated live events can reopen to the public at a maximum of 33% outdoor occupancy with multiple required modifications. Outdoor seated live event operators must prepare, implement and post the required Los Angeles County Public Health Protocol for Live Events and Performances (Outdoor Seated).

(mm) Indoor Seated Live Events and Performances. Indoor Seated Live Events can reopen to the public at limited indoor occupancy with multiple required modifications. Outdoor Seated Live Event operators must prepare, implement and post the required Los Angeles County Public Health Protocol for Live Events and Performances (Indoor Seated).

(nn) Private Events (Meetings / Receptions / Conferences). Private events are not open to the general public. Private Events are characterized by purchased tickets, required reservations or a defined guest/invitation list, assigned or reserved seating, or a contract or exchange for the site of the Private Event. Private Event operators and Event Organizers must prepare, implement and post the required Los Angeles County Public Health Protocol for Private Events (Meetings, Receptions, and Conferences).

(oo) For purposes of this Order, limited services businesses are businesses that are not clearly classified as a retail business, and do not generally require close customer

contact. Limited services include those essential and other businesses that can provide services while maintaining appropriate physical distancing from customers or the public. Examples of businesses in the limited services industry include laundromats, dry cleaners, bank and credit union branches, tax services, check cashing, automobile dealerships, non-school learning centers, auto repair shops, car washes, landscapers, door to door services and sales, pet grooming, and dog walking. Limited services businesses may remain open at 75% maximum indoor occupancy, to ensure 6 feet of physical distancing between persons. The owner or operator of a limited services business must prepare, implement, and post the required Los Angeles County Public Health Protocols for Limited Services Businesses.

(viii) Government Employees. This Order does not apply to employees of government agencies working within the course and scope of their public service employment. Employees of the City of Los Angeles shall follow any current or future directives issued by the Mayor.

(ix) Essential Infrastructure. Individuals may leave their residences to provide any services or goods or perform any work necessary to to build, operate, maintain or manufacture essential infrastructure, including without limitation construction of public health operations, commercial, office and institutional buildings, residential buildings and housing; airport operations, food supply, concessions, and construction; port operations and construction; water, sewer, gas, electrical, oil extraction and refining; roads and highways, public transportation and rail; solid waste collection, removal, and recycling; flood control and watershed protection; internet and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, phone retail sales and servicing, and web-based services); and manufacturing and distribution companies deemed essential to the supply chains of the industries referenced in this Paragraph, provided that they carry out those services and that work in compliance with social distancing practices as prescribed by the Centers for Disease Control and Prevention and the Los Angeles County Department of Public Health, to the extent possible.

(x) Non-Essential Businesses. Businesses regarded under this Order as “non-essential” may be permitted to conduct minimum basic operations including inventory, security, custodial services, payroll and employee benefits processing, and any reasonable activity designed to maximize the ability for its employees to work remotely from their homes. Any Non-Essential Businesses conducting minimum basic operations, as allowed for in the paragraph, shall keep its doors closed and locked to the public at all times and shall post a sign on its main entrances stating that the business is closed to the public.

6. Public Notice of Social Distancing Protocols for Certain Public-Facing Essential Businesses. The City of Los Angeles has adopted all safety protocols developed by the County of Los Angeles Department of Public Health. All individuals, except young children under the age of 2 engaging in the permitted activities described below must wear face coverings and adopt social distancing requirements as described in Paragraph 5(ii). All businesses described below must require workers and customers to wear face coverings as described in Paragraph 5(ii) and adopt and comply with the

applicable County Public Health protocol(s) for its business sector, which are available for download at <https://www.lamayor.org/COVID19Orders> and <http://www.publichealth.lacounty.gov/media/Coronavirus/>. For relevant businesses, (i) the protocols notice must be reviewed and posted at or near the entrance to the facility so that it is easily viewable by the public and employees; and (ii) copies of the protocols must be provided to each employee performing work at the facility; and (iii) the business must provide evidence of its implementation of the protocols to any authority enforcing this Order upon demand. The required protocols include:

- (a) The owner, manager, or operator of any business described in Paragraph 1 of the April 7, 2020 Worker Protection Order (Revised May 7, 2020), shall review, prepare, and post, the County's Social Distancing Protocol for each of their facilities within the City of Los Angeles.
- (b) The owner, manager, or operator of any permitted retail business described in Paragraph 5 (vii)(y) of this Order must review and implement the County's Protocols for Retail Establishments Opening for In Person Shopping.

(rr) All individuals involved with a Private Event must review and adopt the Los Angeles County Department of Public Health Protocol for Private Events.

(ss) All individuals must review and abide by the Los Angeles County Department of Public Health Guidance for Informal Social Gatherings.

7. To the extent that this Order is in conflict with earlier Orders, this Order shall supersede the others.

8. Failure to comply with this Order shall constitute a misdemeanor subject to fines and imprisonment. I hereby urge the Los Angeles Police Department and the City Attorney to vigorously enforce this Order via Sections 8.77 and 8.78 of the Los Angeles Administrative Code. Additionally, individuals, businesses, and properties which fail to comply with this Order may be subject to having their utility services shut off by the Department of Water and Power. The Deputy Mayor of Public Safety, or his written designee, after issuance of a written warning, may request the Department of Water and Power to shut off utility services at the business or property. Upon receiving such a written referral, the Department of Water & Power is authorized to shut off utility services to the identified business or property operating in violation of the Order.

9. Business owners and operators are authorized to refuse service to any individual who fails to wear a face covering and I strongly encourage business owners/operators to do so.

10. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision shall not affect the validity of the remaining portions or applications of this Order.

This Order shall be in place during the local emergency period, and it may be amended or rescinded as warranted according to local public health conditions.

Eric Garcetti, MAYOR
