Public Order Under City of Los Angeles Emergency Authority

Issue Date: March 30, 2020

The COVID-19 virus pandemic demands urgent action to dampen its dramatic effects on our economy, workforce and housing stability. To that end, by this Order I am halting rent increases on occupied rental units that are subject to the City’s Rent Stabilization Ordinance.

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare the following Order necessary for the protection of life and property in the City of Los Angeles:

Property owners shall not increase rents on occupied rental units subject to the Los Angeles Rent Stabilization Ordinance beginning on the date of this Order through sixty days after the expiration of the local emergency period. This Order suspends any conflicting provision of Chapter XV of the Los Angeles Municipal Code.
