Public Order Under City of Los Angeles Emergency Authority

Issue Date: March 31, 2020

Since declaring a local emergency on March 4, 2020, I have issued three public Orders (March 15, 17, and 23, 2020) that protect tenants during these uncertain economic times. Today, I have signed an ordinance (Council File No. 20-0147-S19) recently adopted by the City Council that builds on the tenant protections in my previous Orders. My approval of and signature on the tenant protection ordinance (Council File No. 20-0147-S19) today serves to rescind and repeal any tenants protection provision in my prior Orders (March 15, 17, and 23, 2020) in conflict with the ordinance.

My March 30, 2020 Order halting rent increases on occupied rental units that are subject to the City's Rent Stabilization Ordinance remains in effect and is not rescinded or otherwise modified.
